We are currently working in conjunction with The Tourism Bureau of Southwestern Illinois to provide box lunches for their group tours scheduled for the upcoming year. It has become an eagerly anticipated program in our local area—and offers such ease and convenience for the various organizations that we wanted to make it available to all groups who might benefit from the service.

Box lunch selections have been developed for Kindergarten through 6th grade and Middle School through adult, creating a fun and healthy treat for kids and grownups alike. Just as important, the box lunch specials mean less work for the parents while reducing stress and confusion for teachers and chaperones...no more forgotten lunches, no more lost lunch money, no more hungry and unhappy kids. For those groups interested in a more extensive selection, our entire gourmet box lunch menu is available on our website.

Streamline the plans for your next tour or field trip with this special program from Renee's. Orders can be easily compiled by the teacher or group leader and submitted via fax or phone (sample order form enclosed). Pickup or delivery options are available dependent upon event location and schedule compatibility. A confirmation proposal covering all order details will be completed and returned for your approval.

If you have any questions or would be interested in learning more about the program, please give us a call. As always, we look forward to helping you plan your next event. We can turn any day into a celebration.

Sincerely,

Renee' Robertson & Staff
